**Kelly says
DO ...**

Tell a parent, teacher or other adult if anything happens on the Internet that you don't like or are unhappy with.

Always ask permission before using the Internet and use websites that your parent or teacher agrees you can use.

Keep your passwords a secret - Only tell your parents or a teacher.

Always tell an adult about anything that makes you uncomfortable or worried.

Use a nickname when online.

Paws Explore monitor cards

Print this page onto cardboard or stiff paper and cut out the two monitor cards. Attach these to either side of your monitor with blu-tack to provide a visible reminder of your Internet safety rules.

**Robbie says
DON'T ...**

Don't give out any personal information when you are online.

Don't meet up with an online friend or anyone you don't already know.

Don't click links that pop-up. Always close the web browser.

Don't open junk mail or email attachments unless you know what they are.

Don't fill in surveys or forms, or upload photos of yourself, friends or family without checking with an adult first.
